

Cross Country Schooling

Due to the addition of Bicton (X) in October 2018 unfortunately we are unable to offer the cross country course for schooling this Autumn. We have 7 tracks to prepare for Bicton (X) which means we will need to commence work in the Park earlier than normal. Many of the fences will be refurbished/painted so we have had to bring everything in off the Park to facilitate this.

Thank you for your understanding.
