

BICTON ARENA

Following the latest Government announcement, in line with National lockdown restrictions which apply in England, Bicton Arena is now closed until further notice.

All arena hire bookings up until February 22nd will be refunded. Once we have a clearer “post-lockdown” picture, we will look to reschedule some of the cancelled events. In the meantime we will continue with our exciting plans for the Summer season, including the inaugural Bicton Summer Tour.

*Once again, we thank you for your continued support.
Please stay safe everyone.*
