**May Opening Show – Stabling CLOSED**

We received exceptional demand and sold out of stabling within 35 minutes of opening bookings on 13.04.2021

We have looked at various options, but unfortunately are not going to be able to accommodate further stabling simply because we have reached capacity in most rings each day (entries).

We are sorry this means some competitors will be disappointed not to have the opportunity to come to Bicton on this occasion, but look forward to welcoming you back later in the season.

Many thanks,

The Bicton Team
