## **RULES FOR HORSE/PONY BOOTS**

*These rules apply to the Talent Seekers, and all Age classes. The total maximum weight of equipment allowed to be added to a horse's leg, front or hind (single or multiple boots, fetlock rings, etc.) is 500g. All hind leg protections must have a maximum interior length of 16cms and a minimum exterior width of 5cms. The inside protection must be smooth, and the fixings must be made of non-elastic Velcro type fasteners with no hooks or straps permitted and must have a minimum width of 5cm. The rounded rigid part of the protection must be placed around the inside of the fetlock. No additional elements may be used in conjunction with the protection. Hind boots for classes under this rule that have an extra flap for protection should be allowed providing the flap is soft and clearly intended for protection only. Fetlock rings may be used in addition for protective purposes providing they are properly adjusted and providing the total weight of equipment on the horse's leg does not exceed 500 grams. No additional elements may be used in conjunction with the protection as detailed above.*

*Please see the updated 2022 boot rule changes. These can be found in the Members Handbook pages 102-107.*

*Failure to comply will incur disqualification.*
